ARTWORK – ART: (meaning color separations, trapping, design, etc.) TYPESSETTING or LAYOUT: \$45.00 (T) and up.

- Some jobs may require special artwork beyond what we consider normal. After receiving your material, you will be notified of any extra charges.
- Colors will be duplicated as closely as possible, but no guarantee can be made of a perfect match due to the embedding process. Please specify PMS colors on COATED stock only for printing.
- Colored backgrounds or bottoms - make a rough sketch showing position of back, bottom or center.
- Artwork, negatives and working materials are only kept for six (6) months by the factory.
- **DO NOT FOLD, BEND OR USE TAPE, STAPLES OR POST-IT NOTES ON ARTWORK.** It could ruin the art, resulting in art charges for repair.
- **ELECTRONIC ART:** Most compatible format for most process is Adobe Illustrator® 7.0 EPS, however please request file format sheet from factory for complete list of software and media accepted.

Computer artwork sent in is assumed to be correct (i.e.: color, spelling, etc.). We hold no responsibility for mistakes that are due to the file (also, see color note above). Be aware that color printer outputs such as inkjets, thermal wax, dye-sub, and even high-end printers, such as the Rainbow and Iris, may not accurately portray color that is offset or screened.

Electronic art must be identified with distributor name and customer service contact.
